

MarcForrest.com Advertising Rates

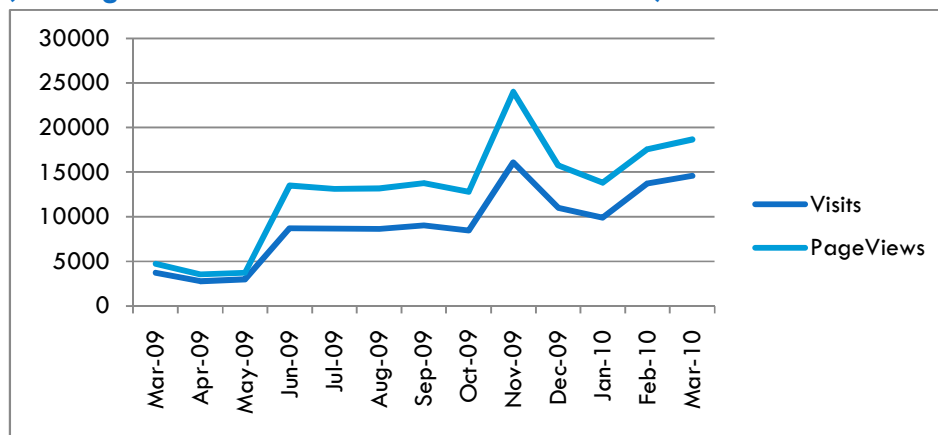

MarcForrest.com is a personal & technology focused blog by KZN based blogger Marc Forrest. I started blogging in 2004 and have built MarcForrest.com to be the highest ranked blog in KZN according to South African blog aggregators, Afrigator & MyScoop.co.za.

The focus of the blog is predominantly iPhone related news & application reviews, while also keeping a focus on South African news & Technology.

I have also co-founded izimvo.com as well as launched the South African directory of iPhone apps & developers, SAiPhoneApps.

Visitor information

(Average site visitors over that last 12 months)
